

Introduction

Rene Ingersoll

Overleaf

2021

About Me

- ▶ I was born on February 17th 1997 in Kearney, Ne
- ▶ Currently working on my master's in Geography
- ▶ I love to learn about the world, I even studied abroad in Japan for a year
- ▶ I plan to graduate in the spring and pursue a career as a GIS Analyst

My Favorite Animal: White Tiger

I love animals with white fur, I find them to be very majestic.

Make a plot

Here is a very ugly plot:
